# SONNEMAN
A WAY OF LIGHT

Project:

Thin-Line LED
Pendant Spec Sheet

SKU: 2816.03-8

One of our best selling families, Thin-Line is a system of minimally scaled LED linear pendants, uplight/downlight wall bars, and indirect light wall bars, Thin-Line is offered in a variety of lengths, finishes, and lighting configurations. Thin-Line Pendants are available in single- and double-sided configurations; the single-sided configurations can be installed as a downlight or up-light, providing direct or indirect illumination. The driver for this fixture must be installed in a remote location. If you would like the look of a smaller canopy than our standard, our Optional Mini Box Canopy is also available for the Thin-Line LED Pendant.
