# Hanover Banquette Lamp Spec Sheet

SKU: 3312.50    Learn more at:  
<https://sonnemanlight.com/hanover-banquette-lamp>

Description: Hanover is a masterfully sophisticated, transitional design. Strong horizontal lines are built from open rectangular forms: a metal arm penetrates the square column precisely to lift a rectangular linen shade. Back plates or bases carry the "open armed" construction with solid presence and a quiet strength. Also available as a [Sconce](#).

Type #:
