

Project:

# Suspenders 48" 4-Tier Tri-Bar with 9" Calla Luminaires + 18" Calla Luminaires

SKU: SLS1164

A three-bar configuration, from a fixed center hub, supports three individual Power Bars suspended below in a 120-degree orientation to each other. Joined in an organic arrangement, the stems of these delicate lighting branches are suspended by cords to a single point of connection and carry shades of luminous polymeric material delicately rolled into calla lily-shaped petals.
