Project:

Profili Ogee LED Sconce Spec Sheet

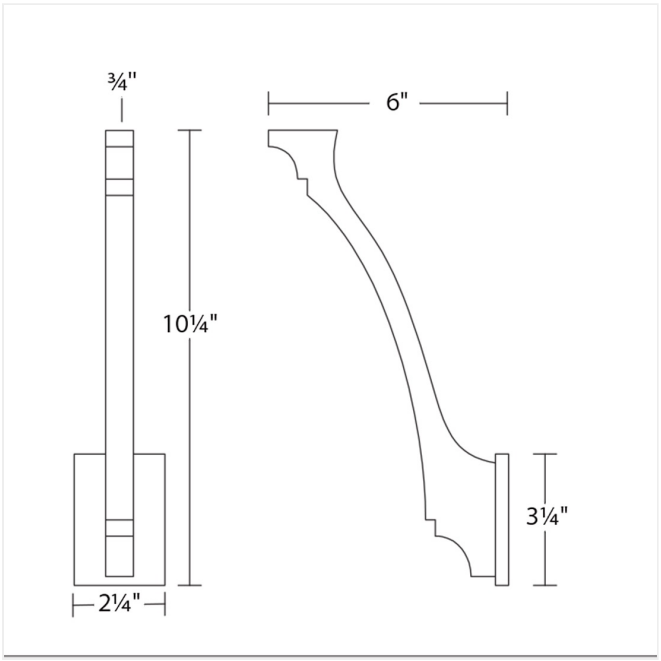

SKU: 1717.98

Imagined by Peter Polick as delicate slivers of classic architectural details, these minimal sections punctuate a space with a nod to the traditional characteristics of decorative ornamentation and a touch of Post-Modernism. LED illumination is reflected from the surface on which the fixture is perched. Also available as a Profili Chippendale LED Sconce and Profili Sweep LED Sconce.
